Address:

Any, Bay City

Price:

Free

The Summer of Girl Scouting is an eight-week patch program that we will be completing as a community. Each week, you'll get an email from us with some activities for that week, and the program is flexible based on what works for your girl's schedule.

The program has no cost (besides purchasing the patch), and is open to ALL girls — so be sure to invite a friend to participate alongside your girl!

Let's make this the best summer yet, and go sign-up at gshom.org/SummerGS
